Total Area Ida B. Lode 20.442

Total Area Granite No. 1 Lode 19.689

Total Area Wanieta Lode 18.753

No Conflicts.

LOCATION.

This survey is located in the S. ½ of Sec. 3, the S.E. ¼ Sec. 4 and the N. ½ Sec. 10, T. 5 N., R.34 E. M.D.M.

EXPENDITURE OF FIVE HUNDRED DOLLARS.

No return herewith.

OTHER IMPROVEMENTS.

None.

INSTRUMENT.

This survey was made with a Berger Mining Transit No. 6. The corners were deflected from a true meridian determined by direct solar observations. The distances were measured with a 660 ft. steel tape.

REPORT.

The lines of each location were run directly on the ground and the corners established at exact corner points. The tie lines were run by traverse submitted in separate report.

The S. ¼ Cor. of Sec. 34, on township line between Tps. 5 and 6 N., R.34 E. M.D.M. is a rock 10 ins. by 12 ins. extending 14 ins. above the ground and marked ¼ on N. side,

Sur. No.3670 Christopher Columbus Lode, Cor. No. 3 is a rock 6in. by 10 ins. extending 18 ins. above the ground, painted white and marked 3670.
