Relocation Lode S.40° 15'W. 690 ft. 4 1/2x6 ft. running N 62° W. 84 ft. to breast in solid rock.

Value $500.00

OTHER IMPROVEMENTS.

Besides the above improvements there are numerous surface cuts exposing the lode along its course belonging to the claimants herein, not claimed as expenditure but situated upon this claim.

Instrument

This Survey was made with a Leitz Light Mountain Transit. The courses were deflected from the true meridian as determined by direct solar observation.

The distances were measured with 50 ft. and 100 ft. steel tapes.

NOTE

The disagreement between these field notes and the location notices are due to errors in the latter.

REPORT.

All lines of this Survey were run direct upon the ground.

The N. W. Cor. Sec. 28, T. 17 N., R. 21 E. M. D. B. and M. is a pine post 4 ins. square showing 1 1/2 ft. above a mound of stone 3 1/2 ft. base, 2 ft. high, scribed 20 on the N. W., 21 on N. E., 28 on S. E. and 29 on S. W. faces.
