-----OTHER IMPROVEMENTS-----

A trench, the east end of which bears from Cor. No.1, Adams lode, S.54°32'W, 255 ft., 2x2 ft., running West 18 ft.

Claimant unknown.

-----Instrument-----

This Survey was made with a Berger & Sons No.6 transit.

The courses were deflected from the true meridian as determined by direct solar observation.

The distances were measured with a 500 ft. steel tape.

-----NOTE-----

The disagreements between these field notes and the amended location certificates are due to errors in the latter.
