SURVEY NOS. 6617 and 4505.

REPORT.

The corner of Secs. 8, 9, 16 and 17 T. 6 N., R. 19 W. of the S.L.B. and M., Utah, is a limestone showing 24 x 16 x 10 ins. above ground, with a mound of stone on west side and marked 4 notches on S. and E. edges.

The closing cor. of Secs. 16 and 21 T. 39 N., R. 70 E. of the M. D. B. and M., Nevada, I did not find, but at point 14.7 ft. west thereof I found a stake, 2 ins. square, showing 2 ft. above rock mound in which it is firmly set; the stake is plainly scribed XX1 on W. face TXXX1X N and R LXX on N. face.

The U. S. M. M. No. 1 is a pine post 5 ins. square, showing 5 ft. above mound of rocks, firmly set and scribed "U.S.M.M.1 U" on E. face and "N" on W. face.

The U. S. M. M. No. 2 is a pine post, 6 ins. square, showing 4 ft. above top of mound of rocks, firmly set and, owing to its being weather beaten, is not plainly and legibly scribed now.

Mile Post No. 6 on State boundary line between Utah and Nevada I did not find, but determined its position from the records of the connection thereto from the closing cor. of secs. 16 and 21 T. 39 N., R. 70 E., of the M.D.B. and M., Nevada, to-wit: South 221.1 ft. (3.35 chs.)

Closing Cor. of Secs. 8 and 17 T. 6 N., R. 19 W. of the S.L.B. and M., Utah, I did not find, but determined its position to be at point of intersection of a line west from Cor. to Secs. 8, 9, 16, and 17 T. 6 N., R. 19 W. of the S.L.B. and M., Utah, with the State boundary line between Utah and Nevada.

Lot No. 37 Morning Star lode:

I did not find any corners of this lode standing. The conflict therewith and connection with Cor. No. 1 thereof are based on the records of survey of the lode and approved plats of lots Nos. 39 and 44, Red Cloud and
