deeply marked on the north face "I" on the
31 M South "N" on the East 31 M on the West 42 L.
Bearings: to sharp mountain peak
S 22° 20' E distance 10½ miles, to
mountain butte S 8° 00' W distance
25 miles, to North West edge of bluff
N 17° 34 distance 2 miles.
Thence descend 22.50 chains to small creek
58.50 chains to summit of ridge, thence
over rolling sage brush 77.50 chains
to small summit and descend to End
of 80 chains. Built mound of earth
and stone, dug trench and pits on
slope to West. Marked two stones of
equal size, 12 × 8 × 6 inches, on the
north face "I" on the south "N" on
32 M the East 32 M on the West 42 L.
Bearings: to mountain peak S 31°
50' W distance 16 miles, to sharp peak
S 22° 45' E distance 11 miles, to
black hole in horizontal ledge of rock
N 37° 40' W distance 1 mile.
Land mountainous. Soil 3rd rate.
Thence over declining ridges began
ascent to 67 chains summit North and
South of highest ridge then descend to
33d mile. Built mound of earth and stone
in hollow between two high ridges running
