Township..... Range.....

..... Meridian.

Solar Transit used and adjustments tested and found correct.

Chains kept regular with Standard.

To obtain reliable starting point I began at NW Cor to Tp 35 N. R 42 E which is on 7th Standard and is a willow post 2x2 ins 4 ft long mkd. T XXXV 35 N. R XLII E. S 6 - on S.E. Edge, and R XLI 41 E. S 1 - C.C. on S.W. Edge - in mound of earth - with trace of pits.

Thence I ran south 3 miles finding old corners hereinafter described.

Thence East on Random line and at 118.40 Chs. I find the 1/4 Sec Cor between Sec 17-20. .90 Lks N.
