Resurvey of

East Bdy T. 29 N R 33 E

Survey commenced June 29th 1901 with insts particularly described on page 1 of survey of Dyer Standard June 1st 1901.

I begin at cor. to T. 29 & 30 N R. 33 & 34 E. which I recently changed so as to apply only to T. 29 N & T. 30 N R 33 E and run south.

Over very rmt ground, Cliffs, Creeks Scattering Cedars &c & find no trace of line until at

168.90
~~167.00~~ I find cor to Secs 12 & 13. Stone properly marked & witnessed, which I practically intersect.

Now it being within my knowledge that this Cor. is due North of a point 80 Chs West of the cor to Secs 5. 6. 31 & 32 T. 28 & 29 N R 34 E I know that I will avoid fractions as directed in Special Instructions by running this range line as the West bdy of T 29 N. R 34 E.

I therefore decide upon this course & more Compt to sec 35 T. 29 N. R 33 E Wh. is a convenient spot for this work.

June 29th 1901.
