

Polaris. The distances were measured with 25 ft., 100 ft., and 500 ft. steel tapes.

Note;-- The disagreements between these field notes and the additional certificates of location of the several lodes embraced in this survey, with regard to the courses of the boundaries and lode lines, and more particularly the several ties to the corner to Secs. 22, 23, 26 and 27, T. 28 S., R. 63 E., Mt. Diablo B. ~~M.~~ M., are due to errors in the latter. The corner to Secs. 22, 23, 26 and 27 T. 28 S., R. 63 E., Mt. Diablo B. ~~M.~~ M., a pine post, was found down; and it would appear that it was down at the time of the preliminary survey, possibly covered with snow, and that a large boulder bearing indistinct marks resembling notches on its top was mistaken therefor.

Report;-- The locus of the above mentioned corner to Secs. 22, 23, 26 and 27 was determined from the decayed stump of post still remaining in the surrounding mound of earth and stone, and by re-running the tie from Cor. No. 1, Sur. No. 2060, Coyote Lode, thereto. Said post was re-set and said corner re-established in its original position, and its description is as follows;--

A pine post 4 ft. long, 4 ins. square, set 2 1/2 ft. in a mound of earth and stone, scribed T. 28., S. 23, on its N. E. face; R. 63 E., S. 26, on its S. E. face; S. 27 on its S. W. face; and S. 22, on its N. W. face.

The S. 1/4 Cor. Sec. 22, T. 28 S., R. 63 E., Mt. Diablo B. ~~M.~~ M., could not be found after strict and diligent search.

All lines of the several locations comprised in this survey, and all tie lines to contiguous surveys, and the respective ties to the corner to Secs. 22, 23, 26 and 27, T. 28 S., R. 63 E., Mt. Diablo B. ~~M.~~ M., were made by separate and distinct traverses, all lines of which were run direct upon the ground.

The corners on the ground to which connection is given are described as follows;

Cor. Nos. 1, Sur. No. 2409, Nay Aug and Uncle Sam Lodes, respectively, is a post scribed 1-1-2409.

Cor. No. 4, Sur. No. 2094, Independence Lode, is a post scribed 4-2094.

Cor. No. 5, Sur. No. 2798, Dora Fraction Lode, is a post scribed 5-2798.

Cors. Nos. 1 and 4, Sur. No. 2060, Blossom Lode, are posts scribed 1-2060 and 4-2060, respectively. Cors. Nos. 3 and 7, Coyote Lode, are posts scribed 3-2060 and 7-2060, respectively.
