

TOWNSHIP 16 NORTH, RANGE 35 EAST, MOUNT DIABLO MERIDIAN, NEVADA

TRACT 37

FIELD NOTES OF SURVEY

The South boundary of T. 17 N., R. 35 E. was surveyed under Group 44 in 1916 and plat approved July 31, 1917.

Surveys as represented hereon were executed with a Gurley Solar Transit constructed in accordance with Bureau of Land Management specifications, which was in good condition and adjustment throughout the survey. Direction of all lines refer to the true meridian and were determined by angles from the line on the South boundary of sec. 34. Distances are expressed in chains, measured on the slope and reduced to horizontal equivalents.

At point for corner No. 1 of Tract 37 on the S. bdy. of sec. 34, T. 17 N., R. 35 E.

Set an iron post, 28 ins. long, 2½ ins. diam., 28 ins. in the ground, with brass cap mkd.

5.00 Corner No. 1, the place of beginning.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
WASHINGTON, D. C. AUGUST 16, 1963

This plat is strictly conformable to the above field notes of survey, which have been critically examined and found correct, and are hereby approved, and the survey, having been properly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.

For the Director
E. D. Remington
Chief, Division of Engineering

I hereby certify upon honor that, in pursuance of Special Instructions for Group 407, Nevada, bearing date of November 20, 1962, and Assignment Instructions dated November 20, 1962, I surveyed on December 12, 1962, Tract 37 in (unsurveyed) sec. 3, T. 16 N., R. 35 E., Mount Diablo Meridian, in the State of Nevada, which is represented by this diagram and field notes of survey, and that said survey has been made in strict conformity with said instructions, the Manual of Instructions for survey of Public Lands of the United States, and in the specific manner described in the notes of survey.
