

BUREAU OF LAND MANAGEMENT GEOTHERMAL RESOURCES LEASING PROPOSAL

Dear Interested Party:

Upon public release of Geothermal Exploration and Development Programmatic Environmental Assessment, an electronic version will be posted on our web site for your review. That web site can be found at www.nv.blm.gov/winnemucca/geed. Posting on the Internet allows for quicker dissemination and reduces our printing and mailing costs.

In addition to using the Internet, we have also budgeted for a limited number of printed copies. If you do not have Internet access, or would rather have a printed copy for your review, we will mail one to you. If you request a printed copy of this environmental assessment, please fill in the following mailing information and mail this request to our contractor at the address below.

Name: _____

Mailing Address: _____

City, State, Zip Code: _____

Notice to Patron: We have allowed for a 14-day public comment period on the Programmatic Environmental Assessment. The comment period will begin on the day that the document is released to the public. We estimate that date to be on or about August 8, 2002.

Mail this form to:

**Charis Corporation
