**Description of Activity:**

Our office has received a Special Recreation Permit Application from the Jackrabbits Motorcycle Club, a club within the Motorcycle Racing Association of Nevada (MRAN). The Jackrabbits propose to conduct their club's annual event, a hare scrambles, over public lands in the North Muddy Mountains area. This proposed race course is identical to the as-ran course approved and raced last February, 2003.

The race would be called the "Rabid Rabbit III". The Jackrabbits anticipate 125 to 150 racers total for the event. The main pit and start/finish area would be located approximately 4 miles east of I-15 off the old Georgia-Pacific (Byron exit) paved haul road in an old disturbed area used as a pit area in numerous previous events. Mini racers would race over existing course on Saturday, February 14, 2004.

The big bike race would occur on Sunday, February 15, 2004. The course would consist of 2 laps over the 30 mile course, for a total of 60 miles to finish. The Jackrabbits would be required to obtain permission to use approximately 1 mile of Valley of Fire State Park (NDSP) lands.

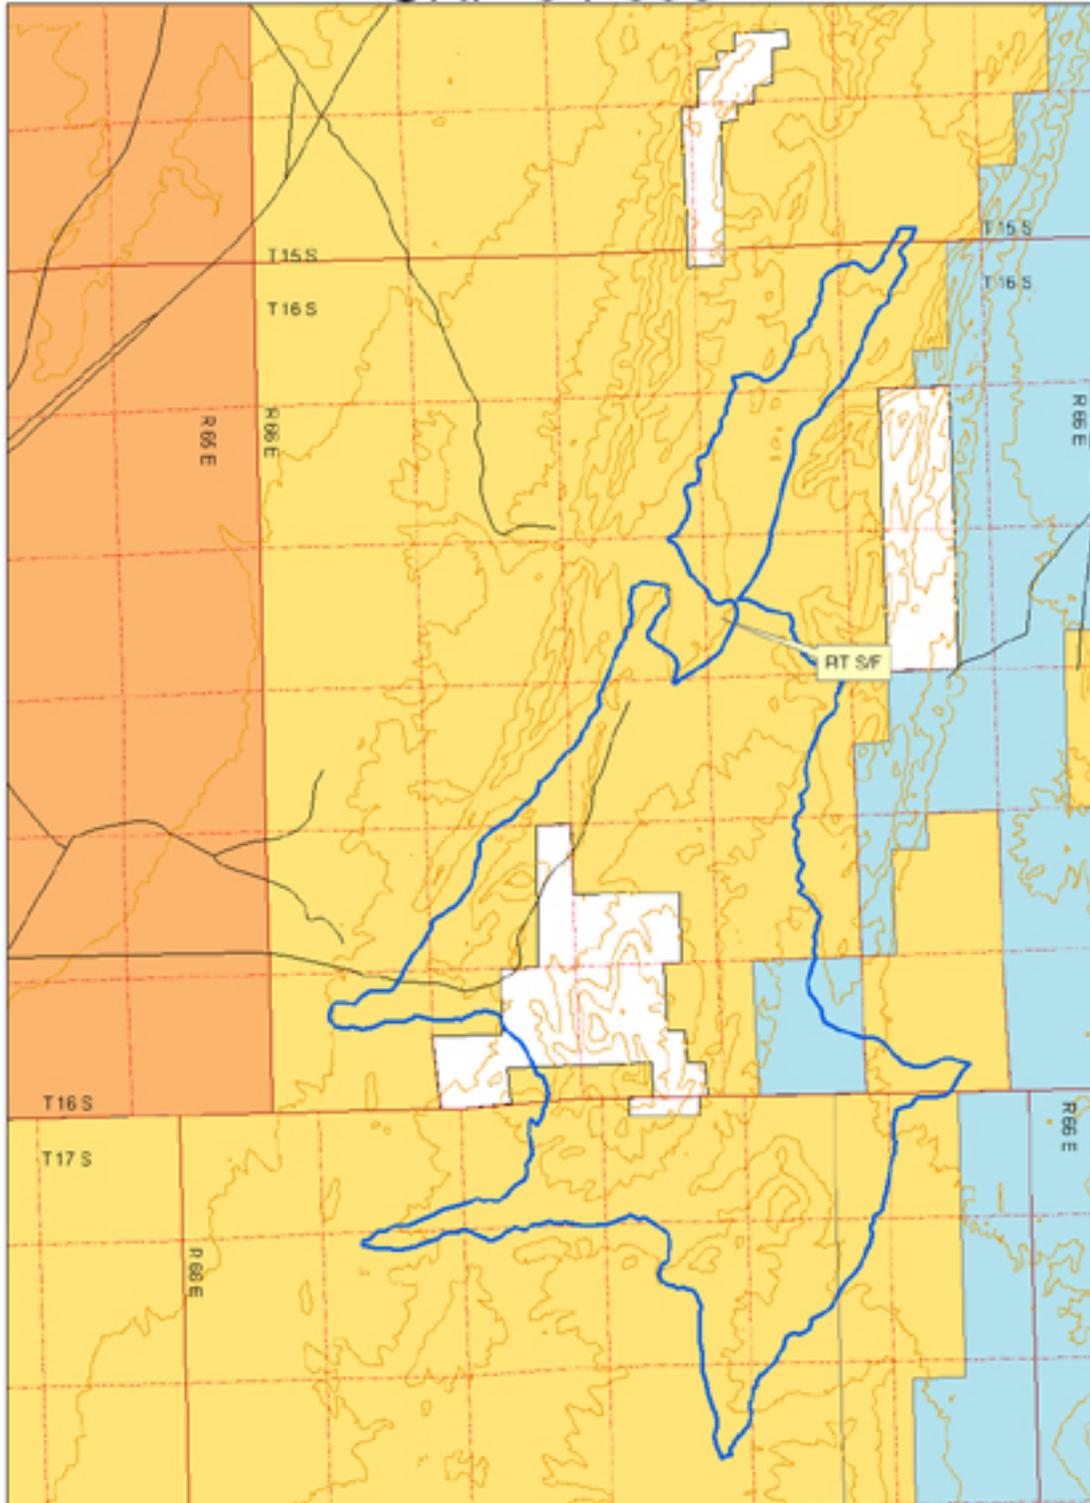

All-terrain vehicles (ATVs) or pre-running the course is prohibited. All race-related spectators, families and friends would be limited to the start/finish and central pit area only.
