

Appendix E: Emigrant Trail Inventory Classes

Trail Class	Description
Class A (OCTA Class 1) Trail Ruts	Pristine trail ruts and swales.
Class B (OCTA Class 3) Trail Ruts	Trail route confirmed through artifacts, rust stains, topography, etc. May include short segments of trail converted into 2-track roads where continued use of these roads would result in damage to pristine trail segments.
Class C (OCTA Class 2) Trail Ruts	Trail used as 2-track road, no improvements.
Class D (OCTA Class 4) Trail Ruts	Trail converted into improved road.
Class E (OCTA Class 5) Trail Ruts	Approximate trail route, all traces destroyed by man made or natural processes.
Trail Sites	Inscriptions, campsites, graves, etc. associated with emigrant trail traffic.
