Toiyabe NATIONAL FOREST

STATE OF Nevada.

Chains

U. C. Polaris, May 18, 1915 9 h. 48.3 m., A.M.

Longitude correction 1.3 m.

L.m.t., U. C. Polaris 9 h. 47.0 m., A.M.

Subtract from 12 h.

Time to noon 2 h. 13 m.

Add. to 7 h. 45 m.

Argument 9 h. 58 m.

Azimuth of Star = N. 0° 44' W.

Bearing of reference stake = N. 79° 05' E.

The mean of these two observations is N. 79° 05' 37"

E., and to the corresponding meridian all courses of this survey are referred.

Mean Mag. Decln. = 17° 46' E.

Retracement

Beginning at the cor. of Secs. 8, 9, 16 and 17, T. 17

N., R. 50 E., (survey accepted), which is a granite

stone, showing 10 ins. above ground, mkd. 4 notches

on the E. and 4 notches on the S., and witnessed by

a mound of earth and stone, 2 ft. to the NW., I run

Thence

West

On a random line bet. Secs. 8 and 17.

40.00 After diligent search, I am unable to find any trace of the $\frac{1}{4}$ cor. bet. Secs. 8 and 17.

153.50 At this point should strike the township line, but after diligent search I am unable to find any trace of the cor. of Secs. 7, 12, 13 and 18, T. 17 N., Rgs. 49 and 50 E.

Thence

North

On random line along township line, bet. Secs. 7 and 12.
