

Survey No. 2312 A. & B.

Instrument.

This survey was made with a Gurley Light Mountain Transit. The courses were deflected from the true meridian as determined by observation on Polaris. The distances were measured with a 200 ft. steel tape.

Description of 1/4 Cor.

The 1/4 Cor. between Secs. 6 and 7, T. 4 S., R. 59 E., Mt. Diablo Base and Mer., is a limestone rock 4 X 8 ins., 15 ins. high, marked 1/4 on South side, set in mound of rock on an outcrop of lime rock about 50 ft. up from the bottom of a gulch draining Easterly.

Note:--

After diligent search I was unable to find any Cor. of the Public Land Surveys nearer than the 1/4 Cor. between Secs. 6 and 7, T. 4 S., R. 59 E.
