

## Survey No. 3204

## Note.

The disagreements between these field notes and the location certificates are due to errors in the latter.

## Report.

The N.E. Cor. Sec.3, T.3 S., R.42 E.M.D.M. to which connection is herein given, consists of a stone 12x12x18 ins. above ground chiselled 2 notches on the East and 4 notches on the West sides and x on top.

The intersections with the section lines were calculated from the returns of the public land survey,

Connection was made to the above section corner for the reason that it was the nearest corner that could be identified.
