

SURVEY NO. 3990.

4.

FINAL OATHS FOR SURVEYS.
REPORT.

The lode line of this location was run directly upon the ground. The corners were set by running a survey line around the boundaries of the claim.

The S. E. Cor. to Section 20, Tp. 39 N., R. 46 E., Mt. D. B. & M. is a porphyry stone, 12x6x4 ins. above ground marked with two notches on south and four notches on east edges, surrounded by mound of stones.

NOTE.-- The oath of assistant was sworn to before me, as there was no Notary Public, or other official with a seal nearer than Golconda.

FINAL OATHS OF ASSISTANTS.

E. S. Warren

do solemnly swear that I have

United States Mineral Surveyor, in marking the corners and surveying

the boundaries of the mining claim of *Circle Mines Company*

known as the *Jackson lode*

represented in the foregoing field notes as having been surveyed by said mineral surveyor and under his

direction; and that said survey has been in all respects, to the best of my knowledge and belief, faithfully

and correctly executed; and the corner and boundary monuments established according to law and the instructions

furnished by the United States Surveyor-General for

Myself
E. S. Warren

Mineral

Assistant

Witness

Flagman

Subscribed and sworn to by the above-named persons before me this

day of *July*

1911

Jas. Wade
