

## AMENDED SURVEY NO. 53

## REPORT

The  $I/4$  Cor. on the E. Bdy. of Sec. 3, T. II N., R. 39 E., M. D. B. and M. to which connection is given is a stone showing 18 x 14 x 12 inches above ground marked  $I/4$  on west face.

Cor. No. I, *Sur* No. 37 B, Great American Rooster Millsite is a pine post 4 inches square, showing 2  $I/2$  ft. above the ground and surrounded by a mound of earth and stone, marked I-37B.

I was unable to find any trace of corners of the Ida Theresa Lode (Unsurveyed) which was shown on the original sketch plat of *Sur* No. 53, Checkmate Lode.
