

There are no bearing objects available at any of the corners of this survey.

A pine post 4 in. diameter, 5 ft. long, set 2 ft. in the ground, in mound of earth and stone, scribbled S-1-5563.

Total area Sarah lode 20.606 Acres

Location.

This claim is situated in the N. E. 1/4 and S. E. 1/4 Sec. 31, T 3 N., R 43 E., M.D.B and M, Tonopah Mining District, Nye County, Nevada.

Expenditure of Five Hundred Dollars.

See statement under "Report".

Note:- The disagreements between these field notes and the amended location certificate of this claim are due to errors in the latter.

Instrument.

This survey was made with a Berger transit. The courses were deflected from the true meridian as determined by direct solar observations. Distances were measured with 100 ft. and 500 ft. steel tapes.

The survey of this Report.

The 1/4 Sec. Cor. on the west boundary Sec. 31, T 3 N., R 43 E., M.D.B and M, is a stone 6X8X10 ins. above mound of rock, chiselled 1/4 on the west face.

Owing to the fact that the surface ground within the lines of this claim has recently been visited by a heavy fall of snow, accompanied by a high wind, the improvements have been filled with snow to the extent of making it impossible to either locate or to make measurements of the same at this time. The location of these improvements together with measurements and estimates of values will be embodied in a "Supplemental Report" to be submitted to your office at a later date.
