Value, \$195,000.00

Five hundred dollars or over has been expended in these improvements in such a manner as tends to the development of each lode of this survey, and to facilitate the extraction of minerals therefrom subsequent to its location and to the time since which common ownership and contiguity have prevailed; therefore, an undivided one-twelfth interest in their value is hereby credited to each of the lodes

No portion of or interest in these improvements has been credited heretofore as patent expenditure to any lode claims.

OTHER IMPROVEMENTS

A total of 1.48 miles of road, constructed for drilling and excavation purposes, all located within this group of claims.

No value.
