Proposal and Agreement to Survey the Eastern Boundary of Nevada

I Isaac C. James of
Virginia State of Nevada, practical
Astronomer and Surveyor
having been selected by the E. S. Davis
U. S. Surveyor General for
the State of Nevada as the Astronomer
and Surveyor for the establishment
of the Eastern boundary
of Nevada as described in Section
192 of "An Act concerning
the boundaries of the State of Nevada
approved May 3 1866 U. S. Statutes
at Large Vol. 14, Page 43. I
obligate myself to execute the
said survey astronomically in the
following manner:—

Inasmuch as the foregoing is
an important geographical line
I will determine it by series of
astronomical observations which
will be reduced and subjected to
a rigorous discussion and the final
