

Eastern Boundary of Nevada

South on 63^d Mile

(or 16° 30' E

- | | |
|-------|--|
| 9.00 | head of ravine - W |
| 35.00 | Summit of Spur - W. - set a
Basalt rock 3 feet long and 8x10 in
marked similar to last in a
Mound of Stone |
| 44.00 | Ravine - W |
| 50.00 | Spur - W |
| 55.00 | head of ravine - W |
| 60.00 | point of Spur - W |
| 62.50 | Ravine - S.W. |
| 67.00 | Ravine - W |
| 78.00 | Low point of Hill W |
| 8000 | As no timber grows on these
hills and none can be brought
over them I put stone mounds
with a marked stone whenever
practicable
at this point I set a Basalt rock
3 feet long by 12x12 in marked similar |
