Land, rolling, - grazing.
 Soil, sandy and rocky, 3rd rate.

GENERAL DESCRIPTION

This township consists of rolling mountainous land. The soil is sandy and stony, 3rd rate, suitable for grazing, but unfit for agriculture.

Astor's Pass, a low level pass through the mountains cuts through the SW. portion of the township, and is utilized as a wagon road.

"The Needles" a series of rocky pinacles of remarkable scenic beauty are located in secs. 36. Pyramid Lake cuts through the SE. portion of the township.
