Chs. from the corner to sec. 5. 6. 31

& 32, South boundary of Twp. 22

North Range 2<sup>d</sup> East 1<sup>st</sup> run

North between sections 31 & 32

Found variation previously in  
running the South boundary of  
Township

variation  $17^{\circ} 25' E$

10.00 The left bank of Truckee River  
which here runs North on  
this line for some distance

I therefore caused my flag to  
be planted on true line on the  
right bank of the river

I then offset 10 chains due West

Thence North on offset line

Counting the distance I had  
run on true line, ~~at~~

40.28 Go a point due West <sup>of my flag</sup> from  
which I ran East, 150 chs. in line  
The left bank of the river, which runs  
N. W. & soon N. E.
