

Field Notes of Subdivision Lines
of Township 21 N. R. 24 East

Mount Diablo Meridian

May 26th 1865.

Chains North. Between Sections, 34 & 35.

By fore & back sights on the
fourth standard Parallel as
previously established by me
I find the variation to be.
Variation $17^{\circ} 10' E$.

(Can not ascertain variation by
tracing the East Sp. Boundary on
account of great local attraction.)

11.00 Alkali flat & N. line of Sand.

40.00 Set gr. sec. corner post on a flat, in a
Mound with pit &c, as per in-
structions.

62.00 River bluff hrs. N. E. & S. W.

80.00 Set Sec. cor. post in Mound, with
pits, Marked Stone &c, as per
instructions, for the corner to
Sections 26, 27, 34 & 35—

Sand Sloping North

Soil 1st note on North part of line
