

To Ascertain the point for the  
Standards Corner to Townships 41 N.  
Range 39 and 40 E. on the Eight-  
Standards Parallel, North -

Commence, at the Closing Corner  
to Townships 40 N. Ranges 39 and 40 E.  
as Established by the Survey of the  
East Side of Township 40 North  
Range 39 E. 9 Run East 12.64  
chains to the proper point for said  
Standards Corner - 12.64 chains being  
the Convergence of the line, closing  
on the Eighth Standards Parallel, North,  
between Ranges 39 and 40 E. with  
the Humboldt River Guide Meridian,  
Calculated from the Seventh Standards  
Parallel, North -

At the proper point; so Ascertained,  
Establish the Standards Corner  
to Townships 41 North Ranges  
39 and 40 E. by setting a post with  
chained stake, Mounds of Earth and  
Piles As per instructions -
