

North Boundary T21 N R20 E

from

X From the Established Corner to
Townships 21 and 22 North between
Ranges 20 and 21 East on the
Carson River Guide Meridian Run
West on a Random line along North Boundary
of Township 21 N Range 20 E
Va. $16^{\circ}35'E$

I set temporary half mile and
mile posts at every 4400 and
8000 chains

I find the Township line to
be 6 miles 2 chains and 32 links
and the falling to be 3 chains and
16 links North of Township cor.

The correction for the true corner
will therefore be $3\frac{2}{3}$ links per mile
South and the course of the true
line will be $N 89^{\circ}38'E$

From the Corner to Townships
21 and 22 N Ranges 19 and 20 E
Run

$N 89^{\circ}38'E$ on a true line along the North Boundary Sec 16
