

T. 17. N. R. 41. E.

Mount Diablo Meridian

This Township having a small amount of good land on its Eastern border composed of White Sage plain I subdivided only the Eastern tier of sections, the remainder being too high and barren for cultivation being a gradual slope from the Shoshone range the foot of the hills being about two miles West. To subdivide this Township I adjusted my instrument to a variation of 16, 30' E. and ran

North Between Secs. 35, and 36.
