

I am compelled, owing to the high water in the river and the severity of the season to suspend operations at this point, until spring.

We hereby certify that we assisted E. B. Monroe deputy surveyor in surveying the exterior boundaries of Townships 16 & 17 N. Range 22 E and the Range lines between Ranges 23 and 24 and Ranges 24 and 25 E.

Mount Diablo Meridian and that said Townships have been in all respects, to the best of knowledge and belief well and faithfully surveyed and the boundary monuments planted according to the instructions furnished by the Surveyor General.
