

Bet Ranges 25 and 26 Township 18 N.

North bet Secs 24 and 19

On the 29th day of March - the river being too high to cross I set a stake on line on the right bank of Carson River 12 Links N. of the Corner of Secs 24, 25, 19 and 31

From a point on line on the left bank of the river I measure South 68° East 150 Chs. for a base to a point from which the stake on the south bank bears S 39 $\frac{1}{4}$ W making the dist. across the river 226 Chs.

- Plotted
J. B. Butler
- .12 Right bank of Carson River E. S. E
 - 2.38 left bank of Carson River E. S. E
 - 5.00 foot of hill - E. & W.
 - 17.50 Summit of black ridge - E. & W. 200 feet high
 - 27.00 flat ravine - E.
 - 39.00 foot of black ridge - E. & W.
 - 40.00 set a Basalt rock 18 x 15 x 8 as per instructions in a mound of stone
