April 21-1868

North. but Secs 25 and 30

On the 8th day of April I set a stone
on the line between Secs 25 & 30 on the Right
bank of Carson River at 69.86 chains
North of section Corner.

From a point on said line I ~~measure~~
on the left bank of the river I measure
East 2.00 chains for a bore to a point
from which the stake on the right bank
of the river bears S. 38° W. making
the distance across the river 2.56
chains
