

Bel. Ranges 28 and 29 E.T. 19. N

a large amount of land on both sides of the river which can be made available for agricultural purposes by irrigation. The river spreads out into numerous sloughs and swamps in the southern and eastern portions of the township. These swamps can be readily drained by ditching and opening the old river channels to the lake. The township should be subdivided

From the corner of Townships 18 and 19 N Ranges 28 and 29 I run North bet Secs 36 and 31
