

54

Subdivision Lines T⁹ & R 3rd E

The land in the S E part
of this Township being rough
and broken and barren

I commenced subdividing
on the East boundary at the
cor to Secs 13+24, and in
order to test the variation
I commenced at the cor to
Secs 13+24 and ran North
on the East boundary of sec
13 Variation 16 45 E

at 40.04. 1/4 sec cor is 3 lks E

at 49.94 cor to Secs 12+13
is 4 links E. It being evident
that the variations are correct
& begin with the same.

Subdivision commenced
March 26th 1869

From the corner to Secs 13
+24 on E boundary of T
