T. 31 N. R. 39 E

Field Notes of the Survey of the
 Exterior boundaries of Township
 31 North Range 39 East N. D. Diablos
 Base and Meridian

It is impossible to run any part of
 the Eastern boundary of this Township
 the line passing over high precipitous
 mountains rendering it impossible to
 measure the line or establish the corner
 thereon.

Survey began August 13th 1869
 As the Northern boundary of this
 Township will strike high rugged
 mountains at a less distance than
 6 miles, I begin at the corner to
 Townships 31st and 32 North. Ranges
 38th and 39 East, and run thence
 East, on a true line bet Sec 6th and 31
 Var. 17° 35' East
 Ascends gradually. W slope
