Mt. Diablo Meridian

Field Notes of the Survey of the Exterior
Boundaries of Township 22 N. Range 46 East
Mount Diablo Base ⁴⁴ Meridian

Eastern boundary of this Township surveyed
October 2^d 1889 and the Notes
returned as Western boundary of Township
22 North - Range 47 East

Impossible to run the Northern or Western
boundaries, the lines passing over high rocky
barren mountains, rendering it impossible to
measure the lines and establish the corners
thereon. The whole township is mountainous
barren and unfit for cultivation except a portion
of the SE $\frac{1}{4}$ of Section 36, which is level and
2^d rate soil.
