

E. boundary T 31 N-R 17 E, Mt Diabls Mend

It being impossible to run the Southern boundary of this township the line passing over high, rocky and precipitous mountains unfit for cultivation, I begin at the established Corner to Sects 7-12-13 and 18 on the East boundary of the township.

I find the Corner monument standing and agreeing with the descriptions furnished by the office ~~etc~~:

From the Corner above described, to Sects 7-12-13 and 18, T 31 North Ranges 17 and 18 E, I run between said Ranges South, between Sections 18 and 13.
