### General Description.

Starting from the 4<sup>th</sup> standard  
 and running north between ranges  
 52. and 53 East to the corner to  
 townships 22, 23 N., the country  
 presents a very uninviting appear-  
 ence, being an unbroken sage  
 plain quite destitute of water.

The valley extends west of this  
 range line about 2 miles to  
 low rolling hills having a north  
 and south direction covered with  
 grass but without water.
