

But since the lake is the lowest point of the basin in which it is situated, the water would have to be raised. This can be done by the simple contrivance of a wind mill.

We hereby certify that we assisted Obed Alley Palmer Deputy Surveyor in surveying the Section and Subdivision lines in Townships 21, 22, 23, 24, 25, 26, North, Range 53 East, and the Subdivision lines in Townships 26, 27, North, Range 52, East, Mount Diablo Base and Meridian, and that said Townships have been in all respects to the best of our knowledge and belief, well and faithfully surveyed, and the boundary monuments planted according to the instructions furnished by Surveyor General.
