Sec. Cor.

79.25 intersect 2^d Standard N. - 150 Chs W. of Standard
Corner and set a cedar post with choired
stake dig pit and raise mound of earth
per instructions for Closing Corner bet.
Ranges 56 and 57 E. Township 16 N.

level - alluvial - soil 2^d rate - green
brush OCT 24 - 1876

This line runs over a level country
with good soil ~~covered~~ with grass
and sage brush and some grass

The whole Township is good land
and with irrigation would be very
productive - should be subdivided
