

For the first 7 miles this Standard  
 runs through Warm Spring Valley  
 to the foot of the White Pine Mountains.  
 For the next seven miles it runs  
 over the White Pine Mountains, then  
 for six miles over rolling hills  
 covered with cedar and pinon timber  
 to White River Valley through which  
 it runs the balance of the way - sixteen  
 miles - There is good grazing along  
 the whole line - and good timber  
 in the mountains.

From the corner of sections 31 and  
 32 T 6 N R 57 E to the corner of  
 Township 6 N Range 58 and 59 E  
 the line runs over Mineral Cove  
 The formation is Limestone and  
 slate with distinct mineral  
 indications
