& 66 E. T. 11. N + set closing cor. Cedar
post with charred stake puts + earth mound
pr. instructions for closing cor. bet secs. 14 & 6.
T. 10 N. R. 66 E.Rolling, gravelly slope S. E. white +
dark sage.Feb. 26th 1873 -The first two miles of this line traverses a
descending gravelly slope - with white +
dark sage + some cedar timber. It then
follows the bottom a portion of which is
very rich alluvial soil - producing heavy
sage + grease wood -After entering Lake valley - there is excel-
lent meadow + farming land - there is some
