Seventh Standard Parallel North

General Description

The 7th Standard Parallel North running East from the Cor. to Ranges 45 and 46 East ~~running East~~ passes for the first half mile over the South slope of a mountain on the North side of a mountain pass. Thence over rolling ground covered with Sage Bush, bunch and Rye grass and good grazing land to the Cor. to Ranges 46 and 47 East. Thence to the Cor. to Secs. 33 and 34 in Range 47 East, over level or slightly rolling ground, mostly covered with Sage Bush and bunch grass and generally good grazing land with some meadow on the Creek bottoms. Thence for the most part over rolling and hilly land covered with Sage Bush and bunch grass ~~and bunch grass~~ and mostly good grazing land to the
