

333

Random line Bet  $1/4$  and  $1/5$  N. R. 65 E.

Beginning at the post  
the established ~~cont~~ to Town-  
ships 14 and 15 North  
Ranges 64 and 65 East, I  
ran East on Random line  
between Townships 14 and 15 -  
N. Range 65 E.  $74.16^{\circ} 30' E$ .

I set temporary half and  
mile posts at every 40 and 80  
Chains, and at 5 miles  
 $79.56$  Chains. I intersected  $1.30$   
chain South of S. Cor. to  
Townships 14 and 15, N. R. 65  
and 66 E.

Therefore my correction will  
be ~~46~~ <sup>42.5</sup> Chains 47. and 21  
links North per mile.

From S. Cor. to T<sup>s</sup> 14  
and 15 N. R. 65 and 66 E.  
I ran  $S 89^{\circ} 51' N$  on true
