

2'

Town of 1832 E. 40, 2, 41.

Field notes of the survey of the
subdivision lines of Town of 1832 E.
Mr. D. M.

Subdivision begun, Oct 26. 1844

5744

The Eastern and central portions
of this township being either high
mountains or so strongly impreg-
nated with alkali as to render it
unfit for agricultural or grazing
purposes. I began at the corner
to Secs 32 & 33 on the South bound-
ary and ran thence.
