3rd/₄ Standard line South along
S. 13. T. 12 S., R. 63 E., Mt. D. M.

Survey made with Burt's Patent Improved Solar
Compass, nearly new, and in first rate order. Made
by Young & Son of Philadelphia, Pa.

Before proceeding to subdivide this Tp., I made a
change of 6 minutes in the latitude arc of my
solar compass by subtracting same from
the reading previously given, and at noon verified
and corrected same by observation on the sun. I also fur-
ther tested instrument by reversing.

Latitude is $36^{\circ} 50' N$.
