July 6-1881

E. B. T23S., R. 6/E., Mt. D. M.

Before proceeding ^{further with the extension of} ~~to subdivide~~ this Tp., I made a
change of 5 minutes in the latitude arc of my
solar compass by adding same to
the reading previously given, and at noon verified
and corrected same by observation on the sun. I also fur-
ther tested instrument by reversing. Latitude $35^{\circ} 58'$ N.
