W. S. Preble, Sept. 5, 1881.
 6th Standard Parallel along.

S. B., T. 31 N., R. 68 E., Mt. D. M.

Before proceeding further with the exteriors of this T_p,

I made a change of 26 minutes in the latitude arc of my solar compass by adding same to the reading previously given, and at noon verified and corrected same by observation on the sun. I also further tested instrument by reversing. I found the latitude to be 40° 30' North there
