Chains.

Retracing

Cha

North on a random line between sections 31 & 36.

Va. 180 10' Dist.

40.18 To a point 12 lks. East of $\frac{1}{2}$ sec. cor.

which is a post in earth mound. To remark Cor. I

set a Volcanic Stone, 18 x 8 x 6 ins, 12 ins. in height,
marked 74 on W. face, alongside of Post ⁴⁰ in larger
mound of stone.

The return course is therefore S. 10'E.

From the $\frac{1}{2}$ Sec. Cor. I continue. North

40.58 To a point 4 lks. East of cor. to
secs. 25, 30, 31 and 36.

Which is a Volcanic stone in earth mound with pits. I
enlarge mound to be of proper size.

The return course is therefore S. 3'E.
