Survey made with Burt's Patent Improved Solar
Compass, nearly new, and in first rate order. Made
by Wm. L. E. Gurley of Troy,
N. Y. in 1881.

Before proceeding to subdivide this Tp., I made a
change of 5 minutes in the latitude arc of my
solar compass by subtracting same from
the reading previously given, and at noon verified
and corrected same by observation on the sun. I also
further tested instrument by reversing.
