

Subs. Gp. H. N. R. 61 E. M. D. M.

Chs. Survey Commenced with a Gulch
and Stackpole Tracts.

November 19th 1887

Note.

On account of the length of the
8th Standard Parallel North on
the S. side of this township
viz - 6 miles - 10 chains ²⁵ 80 links,
which has been divided up
between the corners as found (as
more fully appears at beginning
of notes to this line) and
in order to throw the excess on
the N. Coy. of the Gp., and to more
fully conform to the rectangular
system of surveys - I am =
mence on the E. Coy. of the Gp.
at Cor. to Secs. 25, 30, 31 + 36 and
am N. on a true line 8000 cha.
