

Re-Survey of Standard Parallel  
North - R. 60 E. T. 10. W.

Resurvey commenced with a  
level & Great Transit Nov. 14<sup>th</sup>  
1887

On the night of Nov. 12<sup>th</sup> 1887  
I took an observation of the stars  
Polaris in accordance with in-  
structions contained in the  
Manual of Surveys, and drove  
pickets on the Meridian thus  
established

Before commencing this survey  
I set my Transit on the  
Meridian previously established  
and find it to be correct.

Note - I find it necessary to  
make a resurvey of this line  
for the following reason.  
Before making the survey of  
T. 10 N. R. 61 E. I went to  
that section, and diligently
